

Schedule At-A-Glance

2005 Primary Health Care All Grantee Meeting
 June 21-24, 2005
 Weaving a Strong Safety Net
 Wardman Park Marriott Hotel, Washington, DC

Tuesday, June 21, 2005

8:00 am – 6:00 pm	Registration	Registration Desk
8:30 am – 4:30 pm	Radiation Exposure Screening and Education Program (RESEP) Grantee Information Session	Wilson A
10:00 am – 5:00 pm	Project Officer/Grantee Meetings	Exhibit Hall C
12:00 pm – 5:00 pm	Technical Assistance Sessions on the Federal Tort Claims Act (FTCA) <i>Note: Space is limited. Appointments are limited to 30-minute intervals and available on a first-come, first-served basis. Please visit Exhibit Hall C and locate the Project Officer's designated meeting space and sign up for an open time on the schedule located beside the door. The Project Officer's name for these sessions is Aida Stark.</i> <i>The FTCA technical assistance sessions will provide grantees the opportunity to ask more detailed questions regarding coverage—answers that may not be readily available through general training sessions. You will receive technical assistance tailored to your particular situation. A few examples of the possible questions are: when should I request a particularized determination and how? What to do if a provider receives a subpoena to attend a deposition? This technical assistance is free, confidential, and scheduled for only one health center at a time.</i>	Exhibit Hall C
	Technical Assistance Sessions on Accreditation <i>Note: Space is limited. Appointments are limited to 30-minute intervals and available on a first-come, first-served basis. Please visit Exhibit Hall C and locate the Project Officer's designated meeting space and sign up for an open time on the schedule located beside the door. The Project Officer's name for these sessions is Sony Fermin.</i> <i>Would you like to participate in HRSA's Accreditation Initiative? Is your health center ready for accreditation? Do you know how to prepare for a successful accreditation? Here's your opportunity to ask questions specific to your health center. This technical assistance is free, confidential, and scheduled for only one health center at a time.</i>	Exhibit Hall C
	Technical Assistance Sessions on Emergency Preparedness <i>Note: Space is limited. Appointments are limited to 30-minute intervals and available on a first-come, first-served basis. Please visit Exhibit Hall C and locate the Project Officer's designated meeting space and sign up for an open time on the schedule located beside the door. The Project Officer's name for these sessions is Barbara Braden.</i> <i>These sessions will be one-on-one discussions that revolve around, but are not limited to, developing an emergency preparedness plan. Do you know what an individualized risk analysis is, or the four parts of an emergency preparedness plan (mitigation, preparedness, response, and recovery)? Another issue to discuss is preparation for the projected influenza pandemic. Do you have ideas to share with Federal staff about health centers' role during such a pandemic?</i>	Exhibit Hall C
12:00 pm – 5:30 pm	Exhibits Open	Executive Foyer
1:00 pm – 2:00 pm	Native Hawaiian Health Care Systems Program Meeting	Park Tower #8212
2:30 pm – 3:30 pm	National Black Lung Clinics Program: Future Directions	Park Tower #8216

Wednesday, June 22, 2005

2:30 pm – 4:00 pm	<p>Project Officer/Grantee Meetings</p> <p>Mini Plenary Session Health Information Technology: Realities and Challenges <i>Health Information Technology (HIT) is becoming a major factor in assuring access to primary health care in the country. It has implications for quality, efficiency, and reimbursement. Both the public and private sectors are assessing how to best weave technology into the delivery of health care in a way that maximizes its benefits. During this session, Dennis Williams, Deputy Administrator, HRSA, will present a brief overview of HRSA's approach to promoting HIT in health centers, and grantees will present examples of their experiences with HIT. Participants will have an opportunity to discuss HIT with HRSA staff and other grantee organizations.</i></p> <p>Concurrent Session B <i>Medicare Modernization Act Part 2: What Does This All Mean for Me?</i></p> <p><i>"Show Me the Money:" Opportunities and Strategies for Getting a Grant</i></p> <p><i>Update on the HRSA Health Disparities Collaboratives: Enhancing Alignment and Integration at the Health Centers and at HRSA</i></p> <p><i>HRSA Funding and Collaboration Opportunities: Ryan White and Rural Health Programs</i></p> <p><i>Building A Comprehensive Health Care System in an Underserved Community</i></p> <p><i>Models of Inter-Agency Collaboration—Examples on the US/Mexico Border</i></p> <p><i>Financial Management for Health Centers (Repeated)</i></p> <p><i>Medicaid: Securing Revenues (Repeated)</i></p> <p>Technical Assistance Sessions on the Federal Tort Claims Act (FTCA) <i>Note: Space is limited.
